La aurora de la libertad: Los primeros liberalismos en el mundo iberoamericano (Ambos mundos) (Spanish Edition) Javier Fernández Sebastián

Quienes inventaron y abanderaron los primeros liberalismos en el Atlántico ibérico durante aquel tiempo de revoluciones que se extiende desde finales del siglo XVIII hasta mediados del XIX no tenían duda de que estaban viviendo una auténtica «aurora de la libertad». A través de una docena de trabajos en donde sus autores examinan el surgimiento y expansión del «idioma de la libertad» en los principales espacios de España, Portugal y América latina, este libro ofrece un amplio panorama de los significados inestables y controvertidos del liberalismo, por entonces un movimiento incipiente, un concepto y una ideología en formación que no siempre encaja en las visiones estereotipadas que del llamado «liberalismo clásico» nos ha legado una historiografía excesivamente apegada al canon de unos pocos teóricos eminentes.
