## Modern American Usage: A Guide Wilson Follett

A classic since its first edition in 1966, *Modern American Usage* has been called a book that "every literate American ought to read." Now fully revised and brought up-to-date, this one-volume course in good writing brims with helpful answers?large and small?for readers who want to use English clearly, naturally, and correctly.

Alphabetical for easy consulting (and full of cross-references), the book carries the reader to the entry that explains a troublesome word or phrase?and shows how to use or avoid it. Every page offers natural ways to avoid saying or writing the vague, the long-winded, the needlessly technical, and the hopelessly stale. With verve and eloquence, Erik Wensberg spears the empty words that clog clear thought?"impact," "frustrated," "basically," and many more?and offers us good English words that are definite and have more life.

Offering standards by which to judge language now and in the future, *Modern American Usage* takes account of a generation of changes in American idiom and of attempts to reform the use of pronouns, titles, and phrases to fit shifting ideals of social justice. All this it does with easy learning and with sympathy alike for the experienced writer and for those who come new to American English.

#### **Detra Satterwhite:**

Within this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become one of it? It is just simple method to have that. What you need to do is just spending your time not very much but quite enough to get a look at some books. On the list of books in the top record in your reading list will be Modern American Usage: A Guide. This book which can be qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking upwards and review this reserve you can get many advantages.

#### **Stephanie Matias:**

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Modern American Usage: A Guide can make you sense more interested to read.
