Ever wonder why jewelers don't have price tags on many jewelry items; why the car salesperson always wants to know the monthly car payment you are looking for when purchasing a car; or, how the porn film industry sets audiovisual formats for the world? In *Neat Economic Stuff*, you'll find the answers to these and 18 other economic questions and puzzles in easy to read, humorous and understandable terms. Other questions answered: how did we end up with \$0.99 music downloads; how the federal government ended up creating and running the world's largest cigarette cartel; how government sponsored and financed vandalism became an economic growth strategy; who is considered the greatest antitrust buster and promoter of consumer welfare ever; why there is never a cut in federal government spending nor taxes; and why you get paid what you get paid, plus much more.
