In *Legend Beyond the Stars*, Captain Alana Knight volunteers to aid a dangerous operation to transport colonists between Earth and alien traders. When the colonists are betrayed and sold, Alana's mission is re-defined. Nothing will stop her from keeping those in her care safe and finding a passage home. But her new captor is nothing like she expects...

In *The Portal*, when Janni, a young salvager, boards a space wreck, she is caught for daring to steal Darkon tech by the one man she had thought never to see again. Now they are trapped on a wreck and with an alien life-force hunting them. Will the patroller save her or abandon Janni to her fate?

In *Awakening the Warriors*, Fran left her ordinary, safe life and volunteered as a colonist to terra-form a new earth. Now she is trapped in a prison cell on an alien planet a zillion miles from home and bound for a hideous death in notorious research chambers. She has one chance of escape: awaken the long dormant sexual urges of the Darkon Warriors shackled in the next cell.

In *Star Pirate's Justice*, Carly has one focus in her life: to return home to her terminally ill younger sister. When she learns that a Darkon traitor possesses gateway maps to Earth, she uses all her skills to track him down. But capturing the charming star pirate turns out to be trickier than she anticipated...
