In this gorgeous, slip-cased limited edition of *Bohemian Modern*, acclaimed modernist architect Barbara Bestor takes readers on a dazzling journey through California's legendary Silver Lake neighborhood -- an area whose unique structural and interior designs are rapidly emerging as the biggest trends in modern architecture. Featuring stunning photographs set in bold, panoramic spreads, this limited edition of *Bohemian Modern* also comes with an elegant cloth slipcase designed in bright green and turquoise.

One of the country's hottest young architects, Bestor has fully embraced and perfected the "bohemian modern" style: a practical philosophy that is Californian in origin but achievable anywhere. It is a look that favors raw, authentic materials, brilliant colors, creative space planning, and a natural flow between indoors and outdoors.

The results, as *Bohemian Modern* presents, are striking: a flawlessly restored Neutra house decorated with both whimsy and restraint, a rooftop constructed for viewing the stars, a lavish outdoor garden delicately integrated into the surrounding architecture, a double-sided bookcase that soars three stories and serves as a functional art installation ... there is no limit to the creativity and beauty of Silver Lake style.

Both modern and classic, refreshing and inviting, this limited edition of *Bohemian Modern* will delight readers with its breathtaking, vividly photographed tour of Silver Lake.
