Halibut Jackson DAVID LUCAS

A picture book about shyness from a new and truly innovative artist

Halibut Jackson is shy. He would prefer not to be noticed at all. But he loves to make his own suits, especially suits that help

him blend into the background: He has a flowered suit for the park, a book-patterned suit for the library, and a fruit-adorned suit for the shops. But mostly he stays indoors. When Halibut's invited to a party at the palace, he's too bashful to go, until he decides to make a palace-patterned suit. "No one will even notice me!" he thinks. Except that it's a garden party . . . and *everyone* notices Halibut. Soon, he's the most popular guy in town, thanks to his skills with a needle and thread, and his fabulous fashion sense.

This is a winning homage to shy people everywhere. Do you know a Halibut Jackson?
