The path to true love rarely runs smoothly. Sally is caught in a love triangle with her fiancé Tim and his vine, Vera. In the year 2072, Linda and her lover Nick face expulsion from the world as they know it if their illicit romance is discovered. Rosaline, the woman Romeo initially wanted before he met Juliet, gives a different view of Romeo and shows how he obtained the poison he drinks at the end of the play. And a woman's search for her family history in Iceland closes the circle on her own Icelandic family saga. Written in Darcy Delany's signature warm and sassy style, Love Gone Wrong is an entertaining salute to love and all the romantic debacles endured in its name.
