### **How to make him want you forever, dating advice for women, love advice, relationship advice.**

Normally, it is men who make the first move when it comes to flirting and chasing girls. But women can also make their intentions known to a man by making eye contact, dressing up in a certain way and sending coded messages to guys they are interested in.

A comprehensive study which sheds light on how to attract guys without too much fuss.

### **Here is a preview of what you'll learn:**

- How to read men's body language and how to use your own to send out a positive message.
- Flirting with him in an elusive, yet efficient manner.
- Making appropriate fashion choices which are bound to catch the eye of your crush.
- What topics to talk about and how to be confident and at ease while being in his company?
- How can 'playing it hard' turn the case in your favor and how to do that without actually harming his ego?
- How to balance the time you spend with your friends and use their company to make him want you even more.

All this, and much more!

Take a look at this book which is definitely going to enhance your flirting concepts and make it easier for you to plan and improvise. Use these tips and enjoy victimizing your crush with your incredible looks, unassailable confidence, amazing sense of humor and elusive nature.
