-----  
I loved my husband with all my heart but there was something wrong, he had a secret that I needed to uncover; a secret that would change our lives forever maybe to the detriment of our marriage.

But there is trouble broiling in the air as I too have a secret that will change the lives of the people around me and create unforeseen enemies. My husband is in love with another woman of a different ethnic background, not only that but she bore him a son, which he denied me knowledge of.

My husband has a friend who I was romantically involved with prior to my marriage to him. The feelings have been rekindled between his friend and I. We had one moment of weakness, which has lived to haunt me to this very moment.

The woman that my husband had an affair with has now come to claim him for herself. To make matters worse, my husband's friend has also come to claim me for himself. How will this play itself out?
