## **Normal People** Publius Marcus

This book “Normal People” is my story of my life and the Christian walk as I have experienced then as opposed to now. This book is not written utilizing the Satanic dogma of political correctness, multiculturalism nor identity politics. This book was written as God Himself meant it to be written, plain and simple, utilizing God’s Truth and not Man’s Truth. The politically correct would have written this book foregoing God’s Truth because in their world, Man’s Truth is the only truth. A publisher actually told me this and desired several things to be changed. I prayed about it and God said, No”. I told the publisher this and they refused to publish this book as it is written...so much for the “christian publishing” firms. If you believe in the Satanic issues which have fawned the political correct, the multiculturalists or the identity politics folks, this book is not for you.
