## Scottish Literature: In English and Scots (Scottish Language and Literature EUP)

This substantial new volume is a stimulating yet in-depth introduction to Scottish literature in English and Scots. From medieval to modern, the entire range of literature is introduced, examined and explored. Aimed primarily at those with an interest in Scottish literature, this guide also responds to the need for students and teachers to have detailed discussions of individual authors and texts. The volume looks at Scottish literature in six period sections: Early Scottish Literature, Eighteenth-Century, The Age of Scott, Victorian and Edwardian, The Twentieth-Century Scottish Literary Renaissance, and Scottish Literature since 1945. Each section begins with an overview of the period, followed by several chapters examining exemplary authors and texts. Each section finishes with an extensive discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing. Extensive reading lists identify primary texts of the period as well as details of
