Soul Song: Reflections on an Unexpected Journey The Priests

The wonderfully talented singers known as The Priests draw upon their unique experiences as priests and performers, their love of music, and their faith, as they weave together a rich, illuminating tapestry of spiritual wisdom

The Priests have taken the music world by storm. Since they signed their Sony contract in front of Westminster Cathedral in April 2008, their debut album has sold almost 2,000,000 copies worldwide. It was produced by Mike Hedges, who has worked with U2 and Manic Street Preachers, and was the topic of a PBS special. This book discusses how their grueling promotional schedule for the album may have taken them around the world—from Europe to Montreal, from New York to Sydney, they have always been happy to return to their parishes in Belfast and the people they serve. Insightful and engaging, it is a treasury of memories which offers readers a rare and timely opportunity to reflect on their own journeys through life.
