**Suicide (Library in a Book)** Stephen A. Flanders

Each volume of the Library in a Book series is carefully designed to be a complete one-volume source for research on important issues. Clearly written and organized, the books provide an objective overview of the subject and a wealth of information, in a variety of formats, on sources ranging from other books to videos to special collections in libraries. Coverage in this volume includes the history and social implications of suicide, as well as demographic trends and the emotional and psychological effects on families.
